

Government of Chhattisgarh Finance Department

Press Note

Budget 2025-26

03rd March 2025

From 'GYAN' to 'GATI', A Major Leap of Chhattisgarh Government's Budget in the 'Atal Nirman Varsh' 2025-26

Raipur, 03March 2025/ Chhattisgarh Government has unveiled its ambitious Budget for the financial year 2025-26, reflecting a strong commitment to inclusive development, social welfare, and infrastructure growth. With a strategic focus on uplifting farmers, strengthening rural and urban housing, and enhancing public welfare schemes, the Budget earmarks significant allocations for various sectors. Chief Minister Shri Vishnu Deo Sai emphasized that this comprehensive financial roadmap is designed to accelerate the state's progress while ensuring equitable benefits for all sections of society.

A major highlight of the Budget is the allocation of Rs 10,000 crore for the Krishak Unnati Yojana, aimed at boosting agricultural prosperity, alongside the allocation of Rs 8,500 crore for Pradhan Mantri Awas Yojana (Gramin) to upgrade rural housing. Welfare schemes such as Mahatari Vandan Yojana and Mukhyamantri Khadyann Sahayata Yojana have also received substantial funding of Rs 5,500 crore and Rs 4,500 crore, respectively, reinforcing the government's dedication to empowering women and ensuring food security. Additionally, Rs. 3,500 crore has been set aside to provide free electricity for agricultural pumps of up to 5 HP, easing the financial burden on farmers.

Infrastructure development remains a key priority, with Rs. 2,000 crore allocated for new road construction under the Public

Works Department (PWD), marking a first in the state's history. Rural connectivity will be enhanced with Rs. 845 crore sanctioned for village roads under the Pradhan Mantri Gram Sadak Yojana (PMGSY), and Rs. 500 crore earmarked to connect Particularly Vulnerable Tribal Groups (PVTG) habitations through the PM-JANMAN Sadak Nirman Yojana. The Budget also highlights the state's commitment to education, healthcare, and urban development, with significant provisions for new colleges, hospitals, and aviation infrastructure, ensuring holistic progress for Chhattisgarh.

Presenting the second budget of this government, Hon'ble Finance Minister Shri O. P. Choudhary emphasized that the Chhattisgarh Government's Budget for Financial Year 2025-26 builds upon the strong foundation of inclusive development laid in the previous year. Notably, this marks the Silver Jubilee Budget of the state, and as a tribute to former Prime Minister Shri Atal Bihari Vajpayee, the government has dedicated this year as Atal Nirman Varsh. The budget follows the theme of GYAN ke liye "GATI", focusing on Good Governance, Accelerating Infrastructure, Technology, and Industrial Growth. With an emphasis on transparent and citizen-centric governance, infrastructure expansion, digital transformation, and industrial development, the government aims to accelerate progress toward its 2030 vision. Additionally, in an unprecedented move, ten new schemes have been introduced, including the Mukhyamantri Nagarotthan Yojana, Mukhyamantri Mobile Tower Scheme, Siyan Care Yojana for free health checkups, and Atal Sinchai Yojana to complete irrigation projects. Strengthening education and healthcare, the budget provides for six new physiotherapy college buildings, twelve new nursing colleges, and a 500-seater residential school building in Balrampur and Rajnandgaon.

1. Chhattisgarh Budget 2025-26

Today Hon'ble Finance Minister Shri O. P. Choudhary presented 2nd budget of this Government for FY 2025-26. While the previous year' budget laid a foundation for inclusive development, today' budget has presented the next step in that developmental journey.

This is the Silver Jubilee Budget of the State and as a tribute to Hon'ble Atal Bihari Vajpayee, Government is celebrating this year as Atal Nirman Varsh.

While the budget of the previous year focused on the theme of GYAN (Gareeb, Yuva, Annadata & Nari), this year's budget aims to drive progress in the State under the theme of GYAN ke liye "GATI" (Good Governance, Accelerating Infrastructure, Technology, Industrial Growth) to build on the progress made in this year and continue the journey with a rapid progress towards achieving our goals for 2030, as a part of Amrit Kaal Vision 2047.

- 
- 
1. **Good Governance:** Improving governance, facilitate better service delivery and enhance citizen engagement. By fostering innovation and maintaining a citizen-centric approach, building a more transparent, accountable, and inclusive governance framework.
 2. **Accelerating Infrastructure:** Increasing investments in infrastructure projects, including roads, bridges, public transportation, to stimulate economic growth and create job opportunities.
 3. **Technology:** Implementing cutting-edge technology to streamline governance processes, improve transparency, and enhance service delivery to citizens.
 4. **Industrial Growth:** Ensuring continued investment and favorable government policies, for sustained industrial growth and prosperity. Achieving further progress in key sectors such as steel, power generation, and cement, contributing to its robust economic development and strengthening the state's economic position. Creating a conducive environment for private sector investments through policy reforms, incentives, and ease of doing business initiatives. Also, attract more employment generating industries like Textile, Garment.

2. Budget at a Glance

S. No.	Description	2024-25 (Budget Estimates)	2025-26 (Budget Estimates)	% Growth
1.	G.S.D.P	5,67,880	6,35,918	12%
2.	Total Receipts	1,47,500	1,65,100	12%
3.	Total Expenditure	1,47,446	1,65,000	12%
4.	Revenue Expenditure	1,24,840	1,38,196	11%
5.	Capital Expenditure	22,300	26,341	18%
6	Capex to Budget	15%	16%	-
7.	Capex to GSDP	3.93%	4.14%	-
8.	Revenue Surplus	+1,060	+2,804	-
9.	Fiscal Deficit	-16,296	-18,900	-
10.	Fiscal Deficit as % of GSDP	2.90%	2.97%	-

Fiscal Indicators

- Gross State Domestic Product (GSDP) at current price, is projected to increase from 5,67,880 crores in 2024-25 to 6,35,918 crores in 2025-26, with 12% growth.
- Per Capita Income in F.Y. 2024-25 is expected 1,62,870 with growth of 9.37%.
- As per quick estimates of FY 2024-25, contribution of Agriculture sector in GSDP is 17%, Industrial sector is 48% and Service sector is 35%.
- Government's positive efforts to increase the revenue has resulted in 11 % increase of State's Own Revenue for F.Y 2025-26 without imposing new tax or increase in tax rates.
- Capital Expenditure of State for FY 2025-26 is Rs. 26,341 Crores, which is 16 % of total budget and 4.14% of state GSDP. Chhattisgarh is among the top states with high capex to GSDP ratio.
- Revenue Surplus estimated in FY 2025-26 is Rs. 2,804 Crores.
- Gross Fiscal Deficit in FY 2025-26, is Rs. 22,900 Crores. This includes Rs. 4,000 Crores of Special Assistance for Capital Expenditure by Gol. Hence, the Net Fiscal Deficit of the state is Rs. 18,900 crores which is 2.97 % of GSDP, within 3% limit of FRBM Act.

Tax Proposal

- Recognizing the challenges faced by small traders and the need to reduce the compliance burden, the State Government has decided to increase the limit for **e-Way Bills from ₹50,000 to ₹1 Lakh.**
- The Chhattisgarh Government will support small traders by **waiving off pending Old (more than 10 Years) VAT liabilities up to ₹ 25,000.** This will help more than **40,000 traders and reduce more than 62,000 litigation cases.**
- OTS facility for borrowers of Antavyavsai Nigam.
- **Removal of Cess** on Stamp Duty on immovable property transactions.
